

Winter 2015-2016 Art Magazine - Cover illustration by Layla F. from 4th Grade

Dear One Room School House Family,

Welcome to the 2015-2016 Winter Edition of the One Room School House Art Magazine. It contains lots of wonderful art from the ORSH students and was assembled by myself, Michael Tomaino aka Mr. Mike.

I have switched to seasonal editions of the magazine due to the massive volume of submissions and my need of extra time to compile the magazine due to other responsibilities such as Coaching Soccer and working on a school friendly free Minecraft-esque game for the kiddos. More information regarding that will be on my webpage SandboxGameMaker.com

I am also very interested in the Writing Magazine but so far I have only received a few submissions. If your child has a story they'd like to have published in the magazine please let me know!

If you have submissions, feedback and/or questions please feel free to e-mail me at: M.Tomaino@orsh.net

I really hope you enjoy our Art Magazine! As the kids and I say, have a GREAT EVERY DAY! :)

-Mr. Mike
