CARNIVAL  
SPRING

This yearbook is dedicated to DENISE MACON for her...

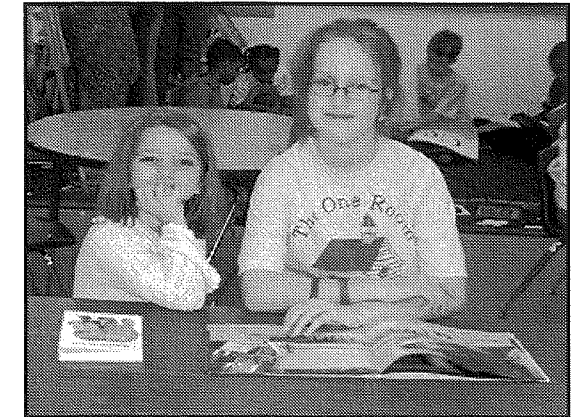

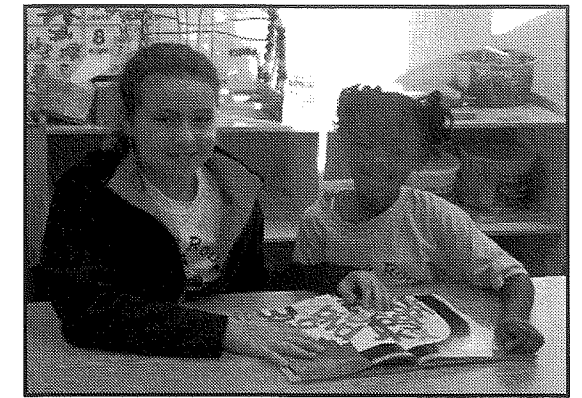

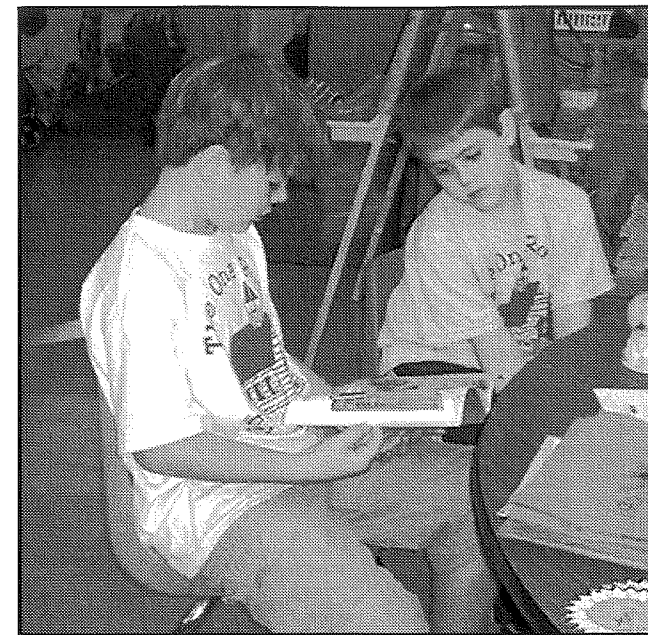

Dedication  
 Energy  
 Neverending ideas  
 Imagination  
 Supportiveness  
 Efficiency

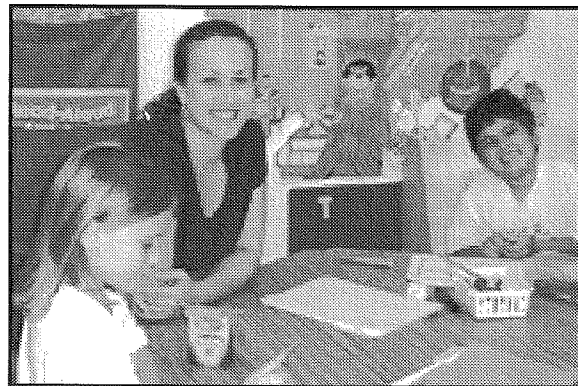

Denise Maccon tutors for the One Room School House, works in our afterschool program, volunteers her time whenever it is needed, and single-handedly organizes our Spring Carnival. She has also served as our parent on the Board of Directors. She does all of this with unfailing good nature and concern for our students. There is always a smile on her face and a hug for anyone who needs it.

We appreciate you,  
 Miss Denise!

Rose O'Hara

You can argue with a tennis ball  
or argue with your hat.  
You can argue with bananas  
or a broken baseball bat.

You can argue with your locker.  
You can argue with your shoe.  
You can argue all day long  
until your face is turning blue.

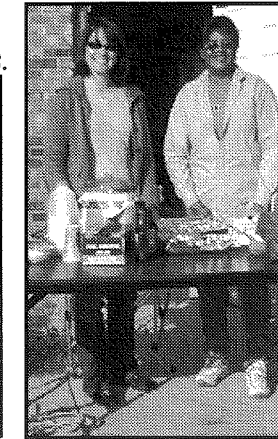

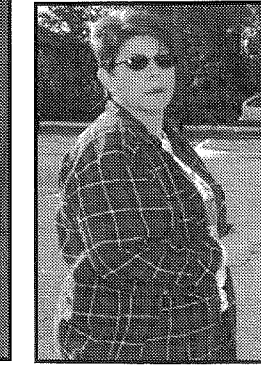

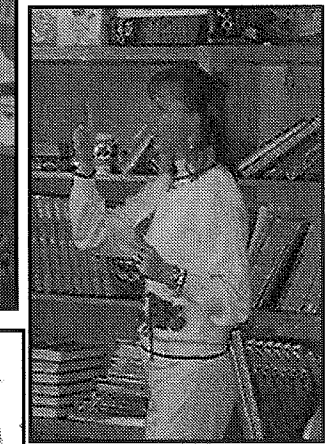

You can argue with a pickle.  
You can argue  
with a bee.  
It's a fact that  
you can argue  
with most  
anything you see.

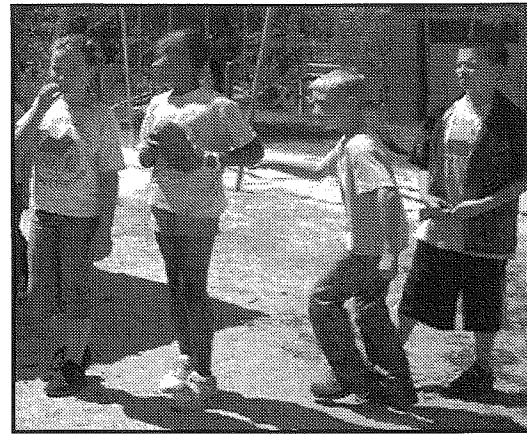

You can argue with  
the football field  
or argue with  
the bleachers.

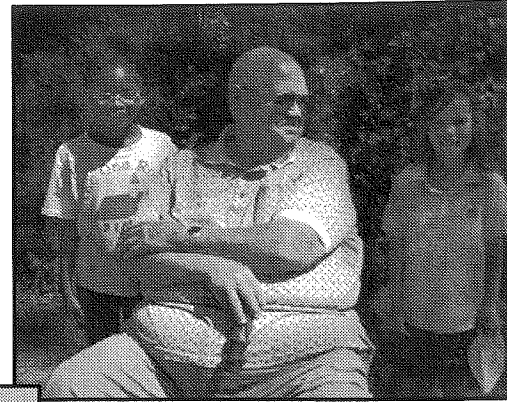

But I've  
found  
it isn't  
very smart  
to argue  
with the teachers.
