

Dear Parents,

According to Florida Statutes: Every charter school's governing board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes.

The Board of Directors has appointed Neil Drake to be its parent representative for The One Room School House for the 2019-20 school year.

If you have not first contacted the school's secretary or the school's principal with your needs, Mr. Drake, the board's representative, will direct you to do so as a first step in the need resolution process.

Neil Drake Board Representative n.drake@orsh.net 352-376-4014
