

Title I Home-School Compact One Room School House 2022-2023

ORSH and the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's standards.

We agree to the following philosophy, conditions, and responsibilities that govern enrollment and attendance at One Room:

School Responsibilities

- One Room is dedicated to creating a safe and productive place to be educated where we will strive to increase grade level proficiency in reading and math
- Teachers will maintain a productive learning environment, respect their students, teach all appropriate material, and report unacceptable student behaviors to school administrators and parents
- One Room will provide high-quality curriculum and instruction through the use of evidence based curriculum delivered by highly-qualified and state certified teachers in a learning environment made supportive and effective by small school and class size
- We will hold parent-teacher conferences at any time before, during, or after school which is convenient for the parents and at which this compact will be discussed as it relates to the individual child's achievement.
- One Room will monitor student progress and provide frequent reports through Schuler.

Student Responsibilities

- Students will work diligently, to the best of their ability during the entire school day and let their teachers and families know if they need help. They will complete all assignments and work they miss due to absence, tardiness, or suspension from class.
- Students, at the direction of staff, will contribute to the upkeep, cleanliness and maintenance of the campus.
- As a student I will follow all school rules and respect all teachers and staff.

Parent Responsibilities

- Parents are primarily responsible for assuring that students: value learning, respect the rights of others, attend school regularly, and follow all school rules and regulations.
- As a parent, I agree to work cooperatively with school personnel to make sure my student completes all assignments, understands the school's goals, rules, and regulations, and understands that any discipline problems that arise at school will be handled immediately by parents or guardians.
- As a parent, I will be held responsible for my child's health and welfare.
