Dear Parent/Guardian:

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of the field in which the teacher is certified, the parents of all students in the class shall be notified in writing.

The One Room School House is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. The school is assisting teachers with Professional Development to complete the requirements needed to become in-field.

All of our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification.

**Karla Mendez** is currently continuing her education by working on her ESOL (English for Speakers of Other Languages) endorsement.

Please reach out if you have any questions or concerns.
