

Title I Home-School Compact

One Room School House 2025-2026

ORSH and the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this compact outline how the parents, the entire school staff, and the students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's standards.

We agree to the following philosophy, conditions, and responsibilities that govern enrollment and attendance at One Room:

School Responsibilities:

- One Room will dedicate itself to creating a safe and productive environment that fosters academic growth, with a focus on improving grade-level proficiency in reading and math.
- Teachers will ensure a productive and respectful learning environment, teach all necessary materials, and communicate any behavioral concerns to parents and administrators.
- Teachers will deliver evidence-based, high-quality curriculum through state-certified instruction, supported by small class sizes that promote effective learning.
- One Room will offer flexible conference times before, during, or after school to discuss the compact and individual student progress.
- One Room will regularly provide progress reports through Schuler to keep parents informed about their child's academic development.

Student Responsibilities:

- I will work diligently to the best of my ability during the school day, by staying focused, asking for help when I need it, and completing all my assignments, even if I miss school due to absences, tardiness, or suspensions.
- I will help take care of my school by keeping the classroom and campus clean, as asked by my teachers.
- I will follow the school rules and treat my teachers, classmates, and staff with respect to make sure everyone can learn and feel safe.

Parent Responsibilities:

- I will ensure my child values learning, respects the rights of others, attends school regularly, and follows school rules.
- I will work cooperatively with the school to make sure my child completes assignments, understands school goals and expectations, and addresses any discipline issues that arise at school.
- I will be responsible for my child's health and welfare, ensuring they are ready to learn and attend school.
